

Spider Control

Spider control is like scorpion control. You want to use Orange Guard to eliminate and repel the bugs that spiders eat. Orange Guard is effective on most spiders, but be aware that due to their size it may take longer for them to die.

If you see a web spray the area liberally. Spiders usually only come out at night, so actually seeing them to spray them directly is difficult. It is much easier to concentrate on getting rid of their food.

Buy 6 Quarts of Orange Guard and SAVE over \$13.00 off the single quart rate.

Orange Guard 6 Pack of 32 oz. Spray

Buy 2 Quarts of Orange Guard and SAVE almost \$4.00 off the single quart rate.
